

Rooted in Faith.
Rising with Calling.

An initiative to equip Westminster Chapel to **reach, disciple, and gather people** of all ages—for generations to come.

why rise?

God is shaping us for more than comfort. He is forming us into a people—rooted in the gospel and awakened to purpose. The Rise initiative is about stepping forward together: reimagining our campus to unite generations, deepening our investment in the next generation, and building a church where people are known, disciplined, and sent.

This is our moment to step into our calling as a light on the Eastside and beyond.

Reimagining Our Campus for Generations

We are creating welcoming, accessible spaces designed to bring every generation together in worship, discipleship, and community—so that Westminster remains a church where families grow in faith side by side.

Investing in Future Leaders

By launching residency and internship programs, we are raising up the next generation of pastors, leaders, and ministry servants who will carry the gospel forward for decades to come.

A Pivotal Moment in Our Story.

1964

Thirteen local families establish Westminster Chapel, meeting in downtown Bellevue.

1969

A-frame chapel and education building completed at our current location; 500 members gather for two Sunday services.

2004

Next Chapter campaign launched to fund a major expansion, replacing the original chapel with a three-story Community Life Center housing NextGen spaces, offices, classrooms, and counseling center.

2020

Pastor Ryan Falls begins ministry at Westminster, launching a renewed focus on reaching emerging generations, strengthening discipleship pathways, and preparing the church for future growth.

2025

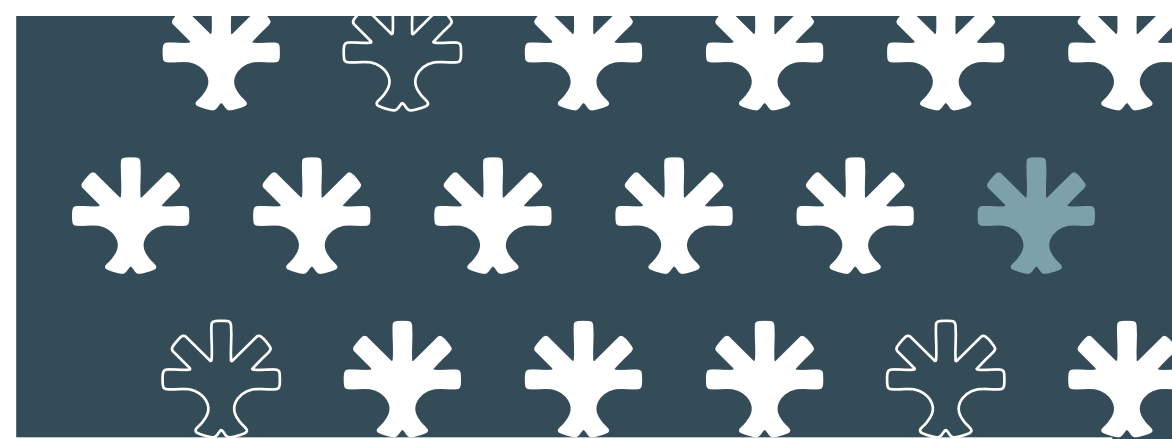

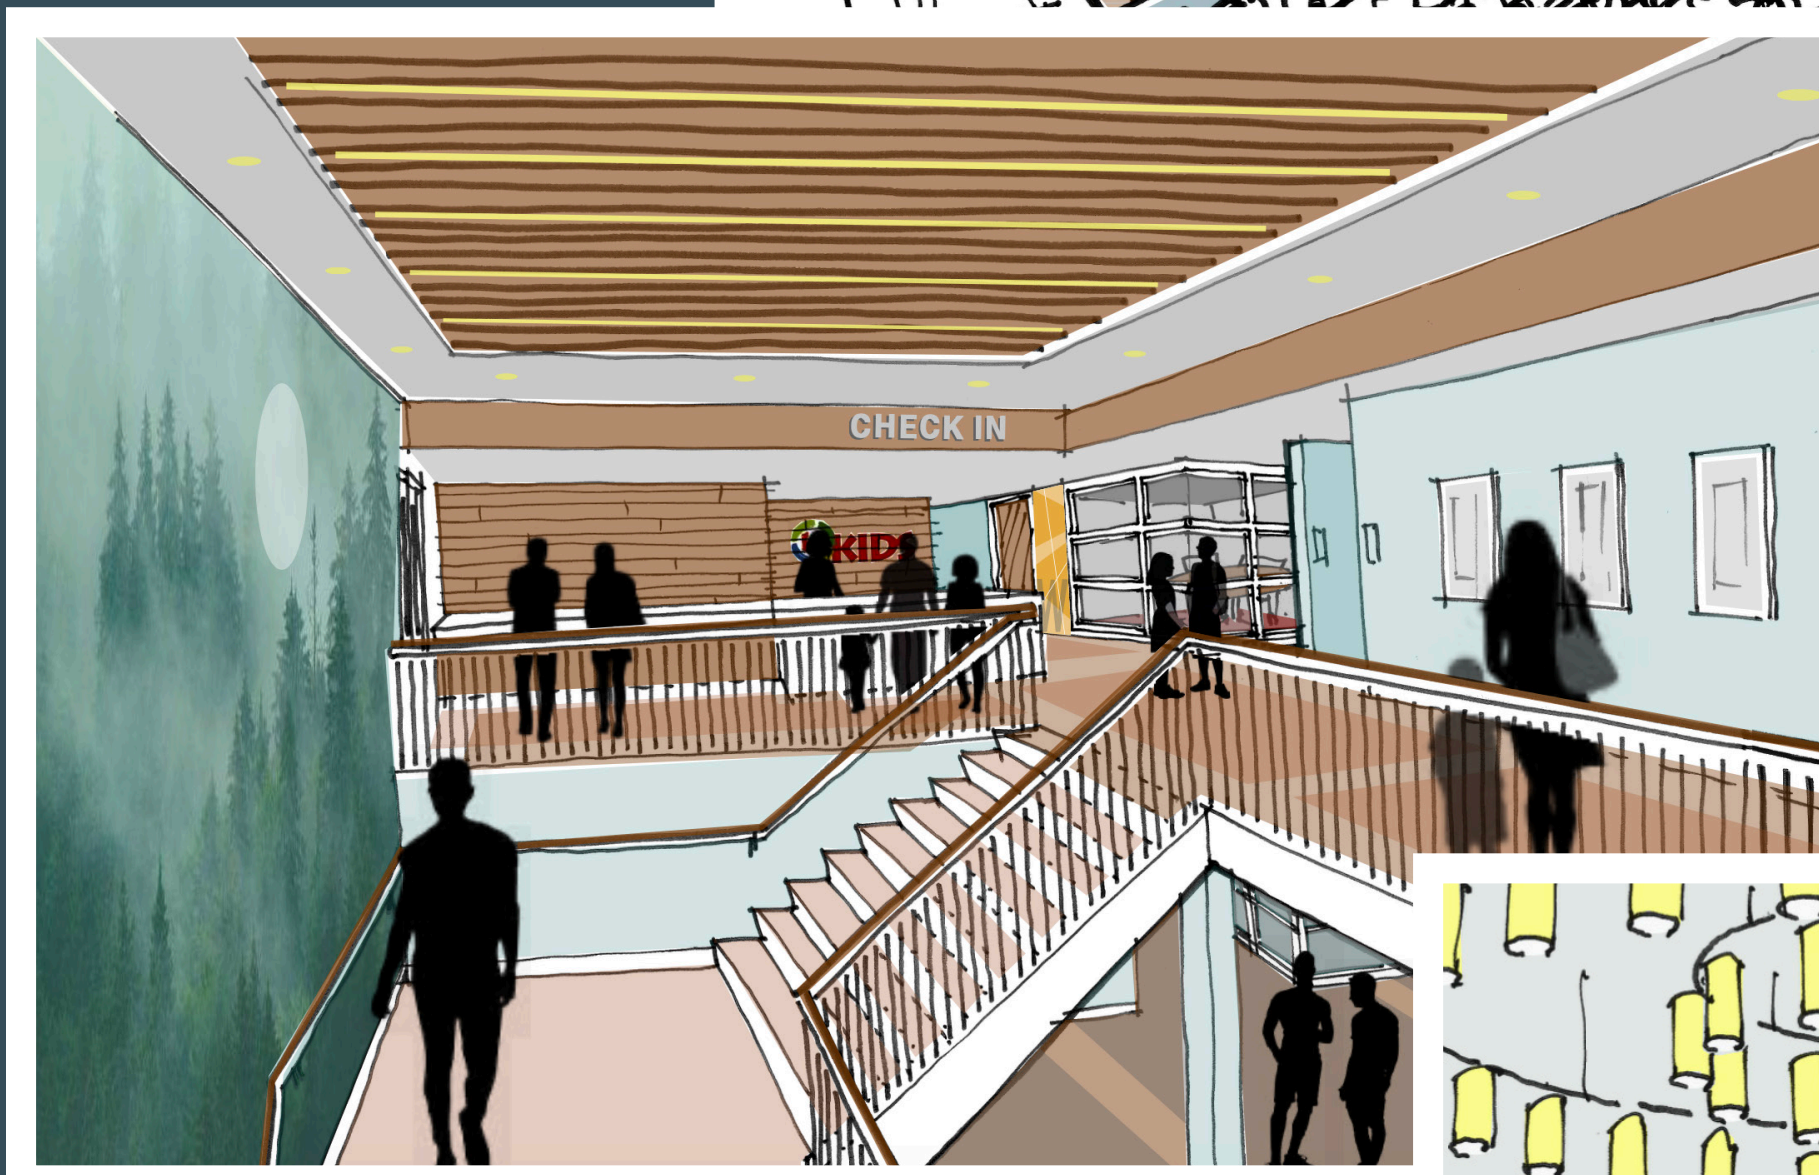

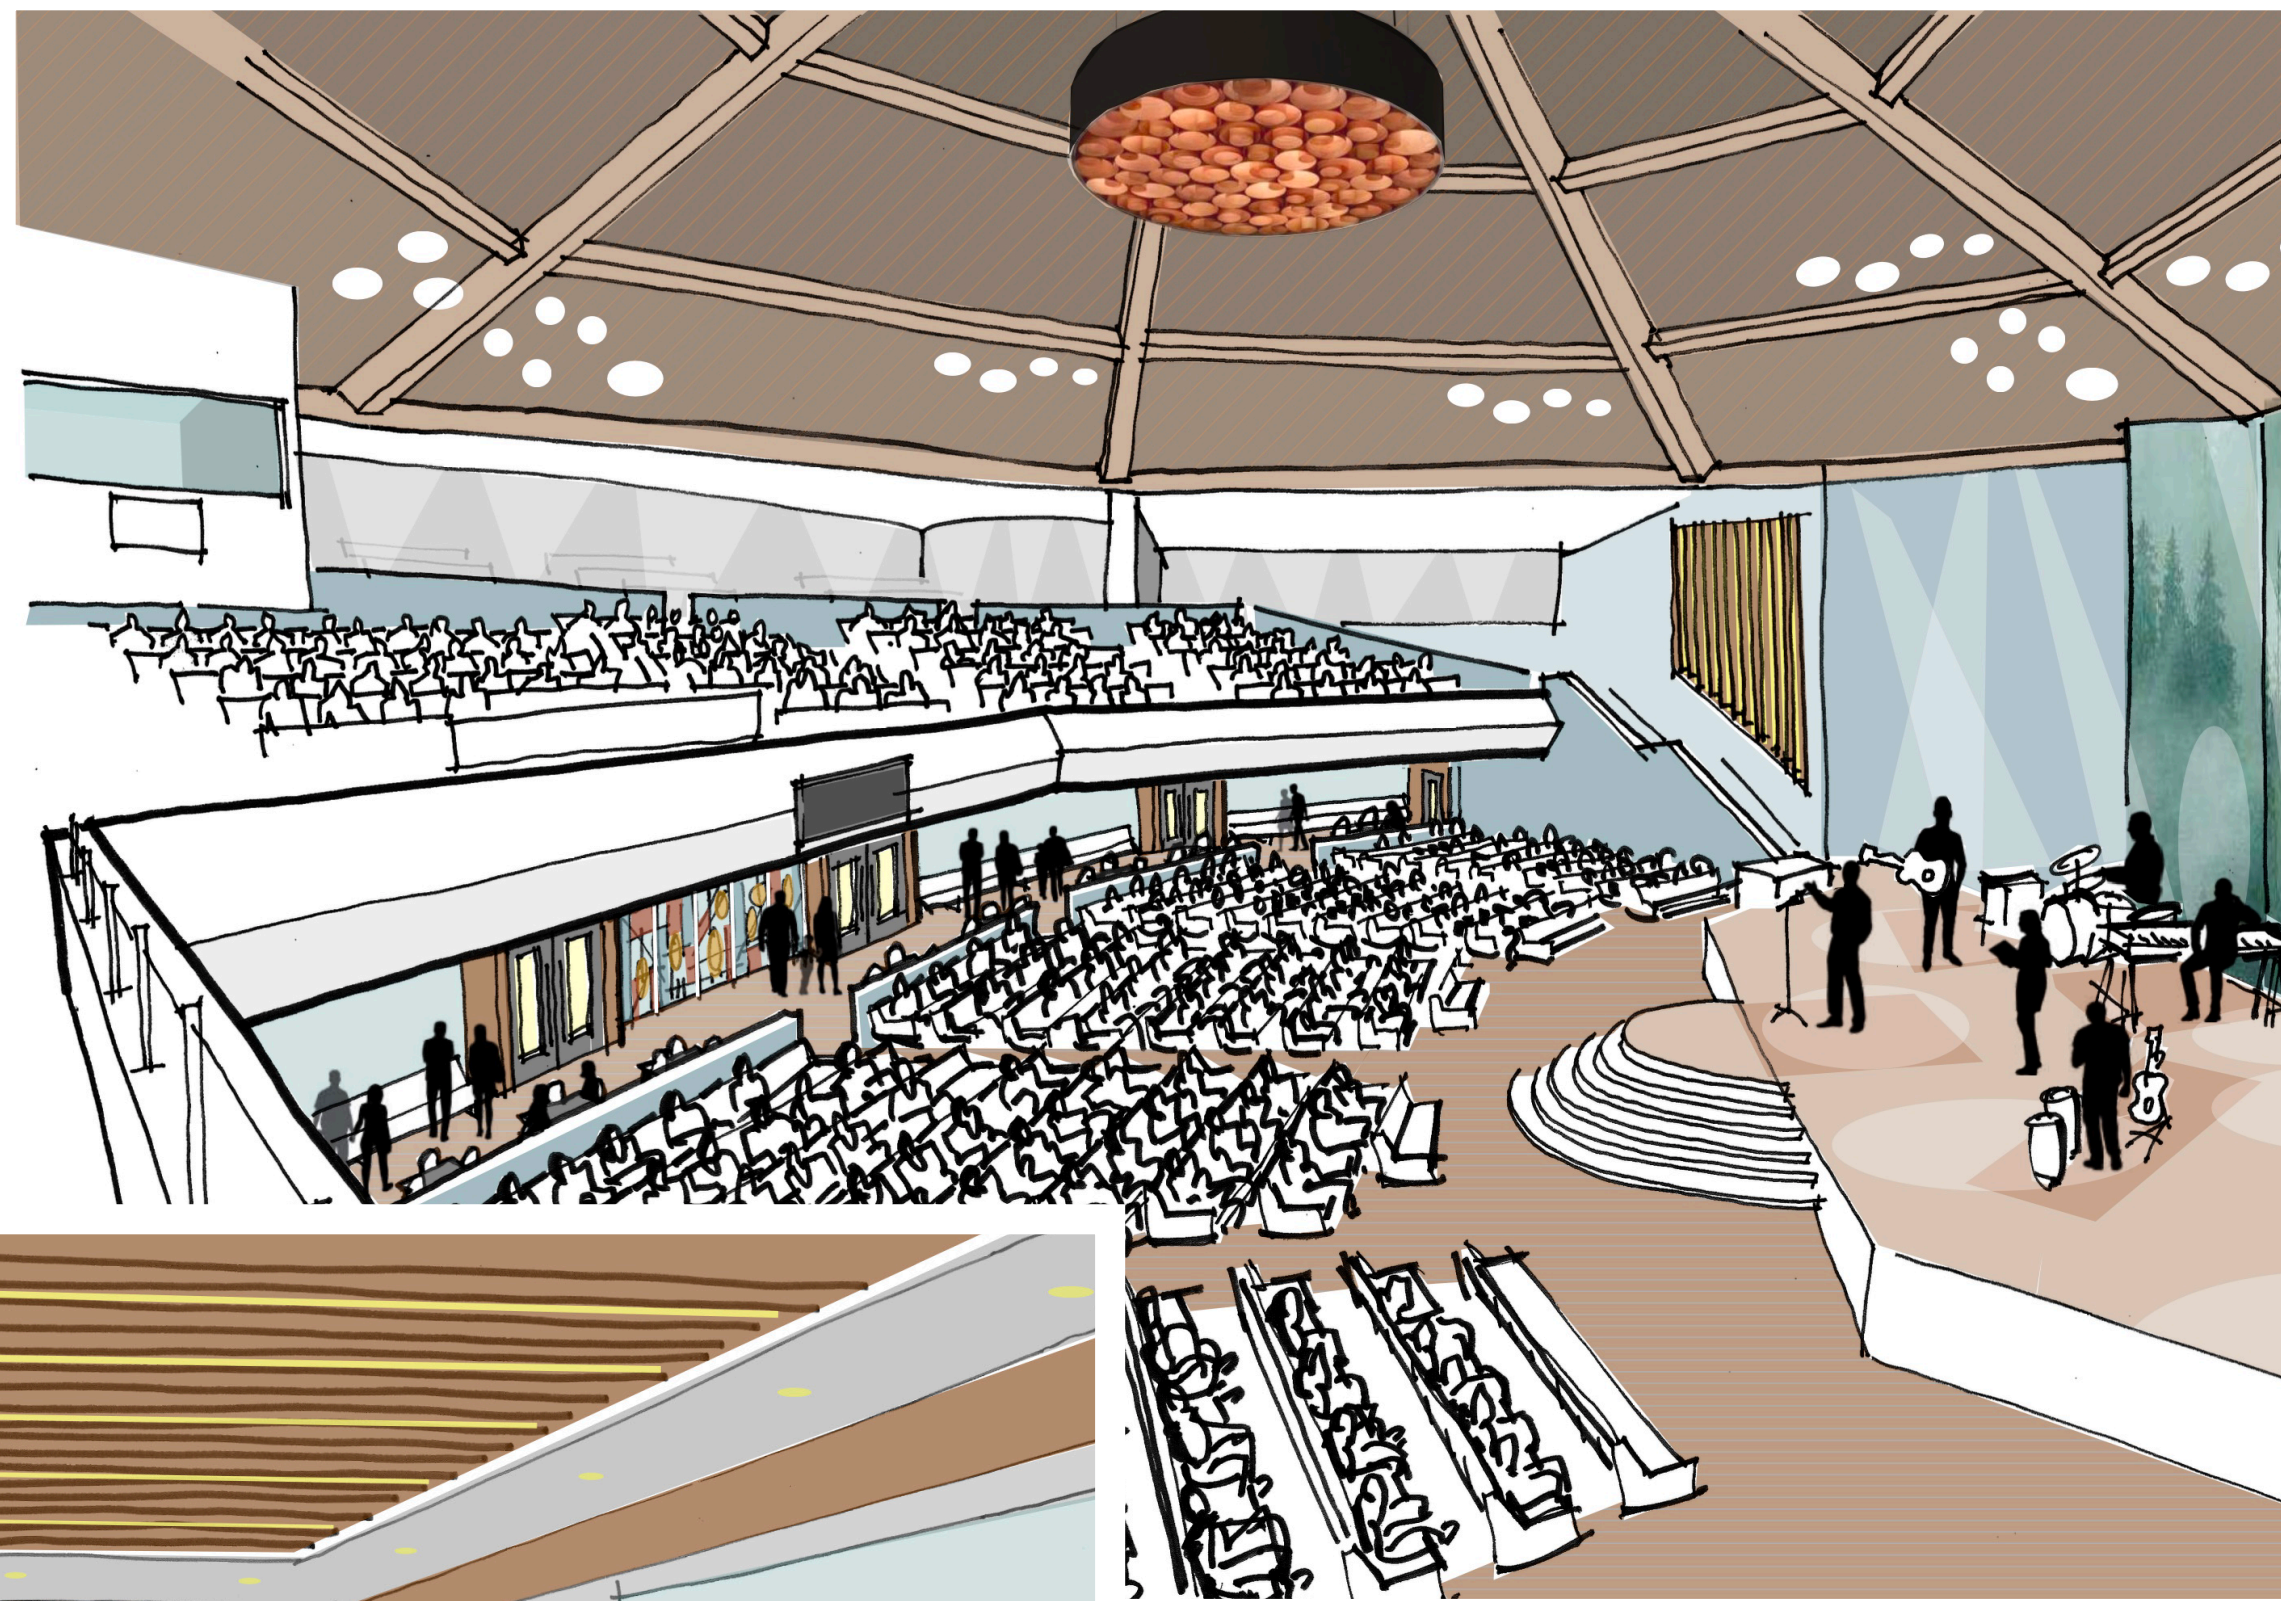

RISE Initiative launches — Westminster's first campus-wide renovation in 20 years, positioning us to serve the next generation.

For 60 years, Westminster has been a place where lives are transformed. The RISE Initiative builds on this legacy for generations to come.

A First Look at What's Ahead

These early concept drawings offer a glimpse of how refreshed, open spaces will welcome families, create room for connection, and support Westminster's vision to disciple and send the next generation. Every part of the design reflects our desire to make it easy for people to belong, grow in faith, and step into community.

Spaces designed not
just for today,

but for generations
to come.

What's **your** next step?

The joy of spiritual legacy is shared across generations. When we pass on our faith, we don't just invest in the future — we come alive in the present.

RISE is about building spaces and rhythms that allow this generational joy to flourish. Whether you're offering a story, serving with your hands, or praying behind the scenes — every role matters. This is how we grow: together.

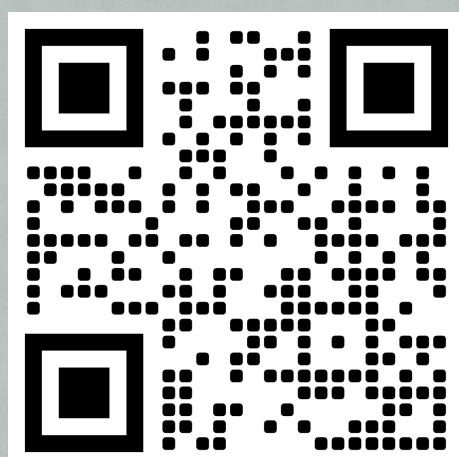

Ways to engage today:

Pray

Ask God to use this season to deepen faith across our church.

Give Early

Early gifts help us begin the most urgent projects. Scan the QR code or visit WCRise.com.

Share Your Story

Tell us how Westminster has shaped your life by submitting online at WCRise.com.

Come to a Vision & Prayer Night

Wednesday July 23 @ 7pm
Sunday September 7th @ 6pm

Serve

Volunteer with a project team or ministry effort as we prepare.

SAVE
THE
DATE

Commitment Sunday

09.28.25

This will be our official giving moment – a Sunday to commit sacrificial gifts and steps of faith.

Between now and then, we'll be praying, gathering, and building momentum together. Another Vision Night will happen in early fall to help us prepare.

Visit WCRise.com

Our initiative site is live with early ways to engage — give, share your story, and get updates on key events. More images, project details, and stories will be added throughout the summer.
